Paul Gresko Lieutenant of EMS Division of Quakertown Fire Co. - Gave out handouts to the Committee and spoke about the history of the EMS. The Mayor thanked the presenters. I appreciate the pitch that you made for us. Obviously, we need to talk to Quakertown EMS also and I will speak to the Committee and if they agree we will be inviting them to our next meeting to make a presentation similar to yours and then we will talk from there.

- b. Animal Control Officer – February 2014
- c. Municipal Court – February 2014
- d. Tax Collector – February 2014

OUT OF AGENDA ORDER

Mr. Mazza asked if the next time we are going to ask questions of Quakertown EMS. Mr. Severino stated that just to be clear we are not putting this EMS service out to bid. We had contact from Quakertown Fire that wanted to come in talk to us and we said sure come on in. It is not as though we have any issue with Quakertown Volunteer EMS. We do not have a problem there, there was no dissatisfaction, it was not our idea and we are not looking to bid out services. We are very happy with what we have now. Mr. Hirt stated that he was curious why Quakertown took over the other rescue squad and try to put them out of business is basically what they are doing.

RETURN TO AGENDA ORDER

e. Engineer's Report

- Race St. guiderail was installed on March 12th and the installation was inspected through our office and we will be processing payment vouchers.
- The old Municipal Building - the contractor came Monday to demolish the building and finished up the operation on Tuesday. There are some contractual issues to clear up.
- Municipal Building foundation drain - we scheduled the work for today for the subsurface investigation. Overview of the condition of the drain pipes. General conclusion is that the water is not adequately reaching the pipes. I will provide the formal report after reviewing the films.
- Elizabethtown Gas Road Opening Permit - Developer will follow up.
- Cooks Cross Road capital improvement.
- Route 173 improvements from exit 11 to exit 13 over lay work by DOT still on target for completion this summer.
- DOT project Perryville Rd Section IIA, plan specs and estimate approved by DOT and we have authorization from DOT to proceed to bid whenever we are ready.
- Frontage Road Bridge near Foster Wheeler - Did some work two weeks ago and finished it this last Saturday.
- Gravel Hill Road - I am getting estimates for speed survey.

f. Trooper Walsh - reported on burglaries of unlocked vehicles at Union Gap Village in February.

8. CORRESPONDENCE / WRITTEN COMMUNICATIONS

Mr. Hirt reported the following correspondence: None

Mr. Severino reported the following correspondence: None

Mr. Mazza reported the following correspondence: None

9. PUBLIC COMMENTS

- Patty Meeker, Quakertown Volunteer EMS - Talked about her reasons for being an EMS Volunteer. I know that Quakertown Fire would like to take over coverage of our area in Union Township and I am here to request that it remains under the service of Quakertown Volunteer EMS. I wrote a letter to Mayor McBride that the Committee has copies. Mr. Hirt asked why did Quakertown try to basically eliminate you and start their own. Ms. Meeker responded that she didn't know
- Ken Weinberg, Chief Quakertown Volunteer EMS - My opinion is it was a financial situation the fire company was becoming a fire district and they need call volume to justify it. There was a lot going on behind the scenes with the OEM Coordinator and one ex-mayor who really pushed the situation between the fire company and the squad.
- Kurt Derwid, Pattenburg Rescue Squad I wish there was a period of time that you opened up to question to Quakertown Fire and Rescue for people in the audience. I will have more questions.

MINUTES OF REGULAR MEETING March 19, 2014

- Kevin Sferra, 36 Cooks Cross Road – Talked about the extreme erosion on Cooks Cross Road and the removal of his property from the 319 Sidney Brook Grant and asking the Township to respond in writing as to reason for the removal of his property. The Mayor responded that according to Dr. Souza the DEP no longer will accept or will approve projects on private property. The Mayor will re-confirm with Dr. Souza.
- Committeeman Severino asked to return to the Quakertown EMS situation. This has the appearance of an unnecessary catcall where we are going to bring Quakertown Volunteer into our next meeting. We had an offer from Quakertown Fire and we have a 25-year history from the squad that is serving us now. I think that in order to ease some minds I would like to put a motion on the table to retain the First Aid Squad that we have now. I do not think we need to bring the First Aid Squad in at our next meeting and discuss and then vote on it. We never had any intention on changing services, we had a request to come in and explain what they were offering to us and we obliged them to come in. I do not see any reason to delay further what appears to be a decision on what we are going to do here. The Mayor responded that her own feeling that they said one thing that I thought was interesting and that was that they had two people on staff from 7:00 a.m. to 5:00 p.m. in the building. I know that the other three parts of the town have staffed emergency services during the day and this is the only part of town that does not. Matt responded that nothing is broken, I really know what we have and know what has been offered, I would like to put a motion on the table to stay with the EMS Company that we currently have and basically deny the offer that was proposed to us tonight. Mayor asked without any further information. Mr. Severino responded that he has enough and I do not need any more quite honestly.

Motion: To respectfully decline the Quakertown Fire Company offer and continue with the present Quakertown Volunteer EMS and existing service.
